Re: Analysis of Continued Availability of Unbundled Local Switching for Mass Market
Customers
Docket No. 2003-326-C
Our File No. 03-7035

Dear Mr. Duke:

Enclosed are the original and twenty-five copies each of two versions of the Supplemental Direct Testimony of Dr. Mark Bryant.. Would you please file the originals, returning clocked copies to me. Thank you for your assistance.

The first version is the Trade Secret Version of Dr. Bryant's testimony and contains confidential information, with those items bracketed by asterisks. In addition, Exhibit 2 to this first version is confidential and voluminous; we are therefore filing one printed copy and 25 copies recorded on disks. We understand that due to the size of this document, the PSC will allow these to substitute for 25 additional printed copies, and we thank you for your kind consideration.

The second version does not include confidential information; we will serve the redacted version on those who have not signed the confidentiality agreement.

By copy of this letter I am serving all counsel of record by mail and electronically.

Very truly yours,

WOODWARD, COTHRAN & HERNDON
